COVID-19 Update from Soo Co-op Credit Union

With new Coronavirus (COVID-19) developments happening every day, we're monitoring the situation and adjusting our plans to ensure we're doing the most we can to keep you, our staff and the community as healthy as we can. We are pleased to announce that all of our [branch lobbies](#) are accessible and are now open, with the exception of our Kewadin and Bay Mills Community College branches.

A few things to remember when visiting a branch office:

- Fully vaccinated members and employees are no longer required to wear face coverings inside our branch offices. If you're not fully vaccinated, please help to protect others by continuing to wear a face covering.
- When possible, we encourage you to continue to utilize our Drive-thru Windows, Mobile App, Online Banking and ATMs for your banking needs.

The Credit Union wants to thank the community for their patience as we work in partnership to follow the recommendations of health and government officials. As the situation changes, we will continue to keep the community updated and informed through our website www.socoop.com and Facebook.

We look forward to seeing you! As always, the health and safety of our members and our employees remains our top priority.
