Our upgraded security settings will now require 2-step verification.

Each time you sign in to your account on an unrecognized device, we require your password and a verification code.

This update will add an extra layer of protection to your account, ensuring you have complete control over who can access your information.

Soo Co-op Credit Union will never ask you to share your verification code with us. Never share your code with anyone.

Protect your account with 2-step verification	
Each time you sign into your account on an unrecognized device, we require your password and a verification code. Never share your code with anyone. Add an extra layer of security Enter your password and a unque verification code. Keep the bad people out Even is domene else gets your password, it won't be enough to sign into your account.
