

Digital Banking Disclosure & Parental Authorization for Members under 13

The Credit Union maintains policies and procedures to protect the confidentiality, security, and integrity of personal information collected from our members.

Parental consent must be obtained prior to the collection, use, or disclosure of personal information from children under the age of 13 in compliance with the Children's Online Privacy Protection Act (COPPA). Parental authorization must be obtained prior to a child under the age of 13 utilizing SCCU Digital Banking due to the information collected during the registration process.

Support Chat within the Digital Banking application will not be available to members under 13 years of age. Support can be provided through the call center or in person at a branch.

Information collected through Digital Banking registration process:

- Social Security Number
- Account Number
- Email Address
- Phone Number
- Biometrics (ability to enable Face ID - *optional*)

☐ I have read the above disclosure and **authorize** my child under the age of 13 to utilize SCCU Digital Banking.
