NEWS**

April is National Credit Union Youth Month!

It's National Credit Union Youth Month, and this year's theme is "Unlock Your Savings Adventure!"

As parents and grandparents, we have a fantastic opportunity to instill good financial habits in our kids from a young age. Together, let's make saving fun and exciting for them! Whether it's setting aside money for a toy, a gadget, or even a future dream, starting small can lead to big rewards down the road.

By helping your children open their very own savings account, they'll not only see their money grow but also learn valuable lessons about financial responsibility. Plus, having their own savings can empower them to make smart choices about their money and plan for the things they need or want in the future.

SCCU will celebrate National Youth Month with the following:

- \$5 Opening Bonus: Soo Co-op Credit Union will deposit \$5 into each new youth savings account opened during the month of April.
- Youth Month Drawing: Every deposit made during April by members ages 0-17 earns an entry into a drawing for one of four \$25 deposits, plus chances to win other great prizes.
- Bonus Timing: Prize deposits will be paid within 30 days after the promotion ends.
- Account Details: Youth savings accounts earn a current APY of 0.15% with a \$5 minimum balance, which is also the minimum balance required to qualify for the drawing.
