SCCU Fraud Monitoring Services

Did you know Soo Co-op Credit Union offers FREE debit and credit card fraud monitoring — with no enrollment required?

Our advanced fraud monitoring service keeps an eye on your transactions around the clock. Each purchase is analyzed and assigned a risk rating based on your usual spending habits. If something unusual is detected, we'll contact you using the primary phone number we have on file. In some cases, a high-risk transaction may even be declined right at the checkout to help protect you.

If you miss our call, we'll leave a message asking you to call back and confirm the transaction.

For more information or to make sure your contact details are up to date, give us a call at 906.632.5300.

Have you Heard About Our Student Loans?

If you have a student heading to college later this year, you may be wondering how to cover remaining costs after savings, earnings, scholarships, federal student loans and other aid are exhausted.

You already trust us with many of your money matters. You can also rely on us to provide you with lower-rate private student loans that work for your family. We have partnered with ISL Education Lending to provide undergraduate and graduate loans with fixed or variable rates and multiple in-school payment options.

ISL Education Lending is a nonprofit with more than 40 years of experience providing student funding solutions. They know student loans and are able to provide you with rates that are comparable to, or better than, the rates many national lenders offer.

You can also pre-qualify in a matter of moments to see your rate before you apply. Pre-qualifying does not impact your credit score.

If you or your family needs additional funds to pay for college, visit our website at soocoop.com/student-lending.

Loans are subject to credit approval.
