

Honoring Legacy Through Leadership:

Announcing the 2026 Dan Hewitt Memorial Scholarship Recipient

Soo Co-op Credit Union is proud to announce Kris Patel as the 2026 recipient of the Dan Hewitt Memorial Scholarship.

Established in memory of Mr. Dan Hewitt, former President and CEO of SCCU, this scholarship honors his lasting impact on our credit union and community. Dan retired in 2006 after a distinguished career marked by exceptional leadership, community involvement, kindness, integrity, and a genuine commitment to helping others succeed.

Each year, the scholarship is awarded to a graduating senior from Sault Area High School and Career Center who plans to attend Lake Superior State University and has successfully completed a Career and Technical Education (CTE) business course.

Kris, your hard work, dedication, and commitment to your future embody the values this scholarship was created to recognize. We congratulate you on this achievement and look forward to seeing the positive impact you will make as you continue your education at Lake Superior State University and beyond.

Have you Heard About Our Student Loans?

If you have a student heading to college later this year, you may be wondering how to cover remaining costs after savings, earnings, scholarships, federal student loans and other aid are exhausted.

Trusting us with your money matters, you can also rely on us to provide you with lower-rate private student loans that work for your family. We have partnered with ISL Education Lending to provide under-graduate and graduate loans with fixed or variable rates and multiple in-school payment options.

ISL Education Lending is a nonprofit with over 40 years of experience providing student funding solutions. They know student loans and can provide you with rates that are comparable to, or better than, the rates many national lenders offer.

You can also pre-qualify in a matter of moments to see your rate before you apply. Pre-qualifying does not impact your credit score.

If you or your family needs additional funds to pay for college, visit us at soocoop.com/student-lending to learn more about our student loan options.

Loans are subject to credit approval.
