September 2024 NEWS

Accidents Happen

Cell phones are part of our daily lives. Replacing them if they are stolen or damaged can be costly. Today 96% of American adults own a cell phone – and 81% use smartphones.¹ For many, these devices are a key entry point to the online world.

This is why Soo Co-op Credit Union offers Superior Checking, which includes Cellular Telephone Protection² along with financial features like Online and mobile digital banking with Bill Pay and Mobile Deposit. You can receive up to \$600 of replacement or repair costs if your cell phone is stolen or damaged, in the U.S. or abroad (maximum of two claims per twelve month period.) Covers up to four phones on your cellular telephone bill paid through your checking account.

To learn more about everything Superior Checking has to offer, visit soocoop.com or your local branch.

Soo Co-op Credit Union Gives Back!

At Soo Co-op Credit Union, community is the cornerstone of everything we do. From our unwavering commitment to serving our members to our active involvement in the neighborhoods we cherish, we're dedicated to making a meaningful difference. A shining example of this dedication is our Dress-Down Fridays.

Every Friday, our team members trade in their usual attire for blue jeans – a simple change with a powerful impact. In return for the casual dress code, our employees contribute a small donation that is collectively used to support local organizations or individuals in need within our community. Recently, our Dress-Down Fridays helped fund the purchase of backpacks and school supplies for Chippewa County Project Back Pack. This marks the 17th year that United Way of the EUP has organized this initiative, serving over 600 children in the Eastern Upper Peninsula.
