***Essential financial protection on your vehicle loan that helps you
drive with confidence.***

Don't let a total loss become a financial loss, learn more about GAP.

If your vehicle is deemed a total loss due to an accident or theft, you may wind up owing more on your loan that your auto insurance will cover. GAP may reduce or even eliminate that shortfall in the event your vehicle is deemed a total loss.

Essential financial protection on your vehicle loan that helps you drive with confidence. Talk to Soo Co-op Credit Union today about how we can help protect you from sudden out of-pocket expenses with GAP.

GAP is not insurance; it is an optional debt cancellation product. GAP will not affect your application for credit or the terms of any credit agreement you have with us. Certain eligibility requirements, conditions and exclusions may apply. You will receive the contract before you are required to pay for GAP. You should carefully read the contract for a full explanation of the terms. If you choose GAP, adding the GAP Fee to the amount financed under your contract will increase the cost of GAP. You may cancel GAP at any time. If you cancel GAP within 90 days you will receive a full refund of any fee paid. **GAP purchased from state-chartered credit unions in FL, GA, IA, IN, UT, VT, and WI** may be with or without a refund provision. Prices of the refundable and non-refundable products are likely to differ. If you purchase a refundable product, you may cancel at any time during the loan and receive a refund of the unearned fee. **GAP purchased from state-chartered credit unions in CO, MO or SC** may be canceled at any time during the loan and receive a refund of the unearned fee.
