

April is National Credit Union Youth Month!

In April, we celebrate National Credit Union Youth Month. This year's theme is "Be A Credit Union SAVER & Your Savings Will Never Go EXTINCT". Together with parents and grandparents we can encourage our kids to start saving for their own financial future. We want to make saving fun and exciting as children learn what happens when they save their money. Start small and help your children start saving for something they want. Contact us to sign them up for their very own savings account. Your kiddo will see their money grow and how it can help pay for things they may need in the future.

SCCU will celebrate National Youth Month with the following:

- SCCU will deposit the first \$5 into each new youth account for the month of April.
- Every deposit made during the month of April, ages 0-17 will be entered into a drawing for a \$25 deposit to their account and chances to win other great prizes, including a \$100 from the National Youth Saving Challenge.
