## Its Reality!

Navigating the world of expenses can be a real challenge for adults, and the same reality is not too far off for our high school students. To prepare them for what lies ahead, Soo Co-op Credit Union proudly sponsored the twelfth annual Financial Reality Fair at Sault High School, giving students from Sault Area High School & Malcolm High School a glimpse into their future!

This hands-on simulation, now a tradition since 2011, has empowered over 2,700 students from the EUP to make informed financial decisions. It's all about preparing our youth for life beyond the classroom, and we're thrilled to continue this impactful initiative.

## Are you shopping simply and securely?

Credit card purchases are easier than ever today. But paying with a physical card can carry a greater risk of fraud. Making contactless payments with your phone is quicker and provides multilayered security that plastic cards can't match!
