Fraud Protection at your fingertips

- Quickly turn your cards "on" or "off" if your card is ever misplaced or stolen.
- Set up real-time mobile alerts whenever your card is used, alerting you to potential fraud.
- Transaction controls allow your cards to work only in specific locations or geographic areas.

SCCU Card Control helps you control your SCCU debit card through your mobile device, making it easy to set alerts, monitor usage, and manage your finances on the go.

Log in to your SCCU Mobile app and select the "Card Control" option from the main menu. You will be directed to download the Card Control Companion app from your app store (first-time users only). Once the app is downloaded, go back to the SCCU Mobile app to select Card Controls from the menu again. This will always be how you launch Card Controls. It will automatically import your debit card and sign you in through the SCCU Mobile app.
