

SCCU Donates to Soo Locks Children's Museum

Soo Co-op Credit Union's philosophy has always been "people helping people." It is essential to consider initiatives that educate our local youth. As part of the community outreach and giving efforts, Soo Co-op Credit Union is investing in the young families of Sault Ste. Marie by committing \$25,000 to the Soo Lock's Children's Museum.

The museum was created in 2016 with the purpose of educating kids about the history and science behind the Soo Locks. The finished museum will provide childrens with an environment where they can learn and grow as they express themselves, play, imagine, create and learn. The museum will showcase many hands-on and interactive exhibits.

"We are excited to support the Soo Locks Children's Museum; one of our core values is giving back to our local communities." Said Lynda Ellis, President/CEO of Soo Co-op Credit Union. "It gives us great pleasure to be able to help our youth grow and learn about the wonderful resources we have right here in our own backyard."
