

Updating Your Username, Password, and Two-Factor Authentication

To begin, click on your profile in the bottom left corner.

Select the "Personal settings" option.

Select the "Security" tab.

Here you can edit your username, password, connected apps, and two-factor authentication settings.

Settings

Profile	Username
⊘ Security	ppenguin123 Edit Password
🗘 User alerts	Edit
User agreement	Connected apps External app and website permissions that can access your account. Manage >
ACCOUNTS	
🚏 Soo Co-Op Credit Union	Two-factor authentication Senabled for phone
+ Add account	Edit settings
Add an account	Recently used devices
	Check when and where specific devices have accessed your account.

For Two-factor Authentication, you will be prompted to enter your digital banking password.

You will then have access to remove or add verification options.
